Living Hope

[Phil Wickham – Living Hope]

1. How great the chasm that lay between us
How high the mountain I could not climb
In desperation, I turned to heaven
And spoke Your name into the night
Then through the darkness, Your loving-kindness
Tore through the shadows of my soul
The work is finished, the end is written
Jesus Christ, my living hope

2. Who could imagine so great a mercy?
What heart could fathom such boundless grace?
The God of ages stepped down from glory
To wear my sin and bear my shame
The cross has spoken, I am forgiven
The King of kings calls me His own
Beautiful Savior, I'm Yours forever
Jesus Christ, my living hope

I: Hallelujah, praise the One who set me free
Hallelujah, death has lost its grip on me
You have broken every chain
There's salvation in Your name
Jesus Christ, my living hope :I

3. I: Then came the morning that sealed the promise
Your buried body began to breathe
Out of the silence, the Roaring Lion
 1. Declared the grave has no claim on me :I
 2. Jesus, Yours is the victory!

I: Hallelujah, praise the One who set me free
Hallelujah, death has lost its grip on me
You have broken every chain
There's salvation in Your name
Jesus Christ, my living hope :I

I: Jesus Christ, my living hope :I

Make Me Over

[Tonéx & The Peculiar People – Out The Box

You know my other side,
I can no longer hide
Let you down so many times

Sin freshly crucifies
Thought that I had a plan
I had it all figured out
But the more that you tried
to be by my side
The more I pushed you out

I: **Lord, make me over** :I x3
I: **Make me over again** :I x4

Time after time I've failed you
Pierced your side when they already nailed you

Jesus, you healed my open wounds
I just want to be more like you
Father, I let you down
What's not like you, just take it out
Reconcile me Jesus, I just want to please you
Wash me and make me whole

I: **Lord, make me over** :I x3
I: **Make me over again** :I x4

(flip stykket)

I: **Lord, make me over** :I x3

Psalm 68

[Kurt Carr – One Church]

You are the awesome mighty One now
Your enemies they better run now
They are no match no comparison
Died on the cross, to overcome, You

took the sting out of death that day
Conquering both - hell and the grave
And if You did all these things
What can You do in this place? Hey!

(Gr.1 = S+A / Gr.2 = A+T)

Åhh, åhh, åhh (åhh)

Let our God arise

You are amazing, powerful, and
You are strong, invincible, and
You're greater than incredible
And You defy impossible

A man was dead for three whole days
But, You told him to live
Get up from the grave
You are a miracle working God
So do Your thing in this place..

Arise, arise,

put on your strength and power

Oh, great God,

Power, power, belongs to God
